

Talent Assessment

Game-based critical thinking tests for quick, engaging evaluation of employees and job candidates.

Persistence
Persistence is the ability to keep going to try to do something even when it is hard or tiring. It is the quality of not giving up in the face of adversity and of continuing to try for a long time for any obstacles.

Task Management
Task management is the process of monitoring your project's tasks through their progress from start to finish. This involves actively making decisions about your immediate changes that come up in real time, with your goal and a timeline of your tasks.
